

ETAG RFID COMPANY LIMITED

No. 238, 12-A, East Race Course Road, Tamwe
Township, Yangon, Myanmar
Email: enquiry@e-tagrfid.com

Date: 28 April 2022

To whom it may concern,

I'm writing this letter to recommend that Ms. Win Ei Khaing had been a full-time employee of ETAG RFID Co Ltd since 1 May 2019 to 31 July 2021 as a Software Engineer.

She worked as a key contributor to both front-end and back-end software development, implementation, and testing. Details of her job scope include the followings.

- Proposed and implemented the database design
- Developed comprehensive web applications, windows forms applications, and APIs.
- Developed RFID technology related solutions which include Asset Management System, Inventory Management System, Point of Sale and Asset Tracking System.
- Involved in SDLC together with the team as well as independently.

She had applied the following programming languages and database server when she was with our company.

- C#, .NET, .NET Core
- HTML5, Bootstrap, CSS3, JSON, JavaScript, jQuery, Kendo framework
- MSSQL database server, Entity Framework, LINQ
- SVN, Git
- REST API
- IIS server

If you have any further questions, please feel free to contact me at nwe@e-tagrfid.com.

Yours faithfully,

A handwritten signature in blue ink, appearing to be 'nwe' followed by a flourish.

Nwe Hlaing Oo
Software Manager
